Well I'M FINALLY OUT and you're a big "SENIOR" NOW. Well what can I say its been fun, you've been a great friend I know there ARE TIMES WHEN WE ARGUE but I just think of them as love Quarells cuz I will always consider you as a brother to me, and Bro's and Sisters Do argue. Well RONNY you have a good time this Summer and stay out of trouble. Remember to always stay IN TOUCH

TO BE A SENIOR

and lets get together and Play

THE CLASS OF 1983

Do you remember the first day of our freshman year? As confused underdeveloped lost sheep we looked at the mature, developed seniors around us and thought how massive and towering they were. These hot - shot upperclassmen enjoyed strutting around campus in their "class of 80" letterman jackets; they seemed to delight in flaunting their rank in our greatly impressionable, puny minds. After leaving El Camino and Fesler we weren't accustomed to being surrounded by such a superior student body. We had confidence in these knowledgable seniors and we tested their store of knowledge and ability by asking "Where's room 220?" and "Can you help me open my locker?" We didn't have lockers at junior high school so this was just one of the many things that made the change to high school exciting. One big change we approved of was having six *different* teachers. The stand out teachers like Mr. Johnson, Mr. Jimenez, and Mrs. Chiado, not only were pleasing and helpful but they seemed genuinely concerned that we got off to a good start in high school. We certainly can't give all the credit to our teachers for our stability and development, but we must remember Mr. Miranda, Mr. Torres, and Mrs. Ball, our freshmen counselors, for the patience and understanding they gave us until we got a feel for our new High School. This foundation would later prove to be the building block of the most awesome, radical class of all — the class of 1983!!

A great relief came when we entered our sophomore year. Great! Now we had some cowardly, confused freshman to pick on. We followed the golden rule, "Do unto others as they have done unto you." We reasoned that since we got the whole welcoming treatment why should we deprive these new babies of the same — besides it was what this school system was all about. It wasn't hard to recognize these undersized dwarfs, all you had to do was walk around on your knees. Every year they would get SMALLER and Smaller and smaller. We would swear that "we weren't that small . . . were we?" While we weren't thinking of new ways to pester the "kids", we were sitting in class rooms of Miss Dunn, Mr. Lundin, and my friend, Mr. Frias. These teachers helped build character and, above, all, patience.

Coming back to the same school for the third year as Juniors seemed pretty dull, but the constant reminder of having only one more year kept our spirits high or at least kept us from commiting "school boy suicide." We slowly learned that it wasn't the size of the school or the different activities that it offered, but our bosom buddies, our side - kicks, that made school our home - away from home. Just like at home, we were always told to keep the campus clean and tidy. Every once in a while, though, we would forget. Like when you kicked your locker leaving a dent after getting an "F" on your biology test. Remember? Biology wasn't really that bad though. It sure beat U.S. History, even though Mr. Randall tried to convince us that it would help us in college. Most of us just wanted to finish high school not to think of college. So to pass the time we became more involved in activities and developed relationships with people that we rarely talked to the past two years. As the end of the year came, an excitement existed as that when we entered SMHS as freshmen, the only difference was, we had just one more year!

Hey! We're number one now! No more putting up with anyone older. Now we could be ourselves without caring what upper classmen thought. We ordered caps and gowns and dreamed of June 2, 1983. The happy freedom graduation would bring us would also bring many memories. The complaints of homework, tests, and unfair grades would fade from our thoughts; in our minds we would remember all the joy of our freshman year when we were the only class without a float, our sophomroe year when our J.V. team won the Northern League with the best football record in years and Kenny Tekaats radical barn parties, to the times we'd sit in the back of the room with our friend and share those personal problems with each other which eventually tied us closer, making friendships nearly unbreakable. We'll remember the times after the football games, the smiles we shared with our friends, the times we sat in Senior Seminar laughing until we cried, the awesome powder puff games, and the moment we finally grasped the piece of paper that set us free. We'll remember the last time we saw our lockers. Gone were the books, cheat notes, and pencils that once cluttered it. Good - bye Doris, Fred, and Richard. Good - bye locker — never forget you - 30 - 14 - 44 . . . 4 - 18 - 40 . . .

HOMECOMING 1982

Judy's "Fantasy" Came True!

It was October 22, 1982 and the stage was set for another exciting Homecoming game. The Dave Boyd Field was packed with family and friends who anxiously awaited the crowning of the Queen. It was time to announce the winner, the girls all crossed their fingers as a voice rang out into the crisp October air. Judy Jimenez was crowned Queen and Traci Hammack was runner up. Homecoming was very special for all the girls and a night to be remembered for many years to come. The candidates were: Kelli Estalio, Sonya Garcia, Traci Hammack, Judy Jimenez and Beth Trevarrow.

SENIOR SEMINAR WEDDINGS

Senior Seminar Family Living is a co-ed class for seniors interested in contemplating self awareness and acceptance, decision making, values, dating, mate selection, how to plan personal budgeting, choosing and furnishing a first home. The seniors had fund raisers to support their mock weddings — from apparel to cake and etc. for the reception. They learned by working together that planning a big event takes lots of cooperation. Merchants were very helpful in loaning ad or giving discounts for the various wedding garments.

After moving into their first home, Senior Seminar considers consumer buying, family budgeting, management of resources, consumer foods, family clothing needs, prenatal and infant care, parenting and observing children through nursery school for pre-schoolers. This gives the students of Senior Seminar first hand experience in getting to know psychological, social, emotional and intellectual differences in the two, three, and four year old child.

Senior Seminar attempts to help the student to become aware of the vocational duel roles, such as in actual everyday living of home, family and job/career.

RALLIES OF 82-83

Dress-Up Days And Class Competition Help Promote Saint Pride

The 1982-83 year brought many spirit-filled rallies to Santa Maria High School. Judy and Gloria Jimenez (co-commissioners of programs and rallies) did their best to promote school spirit despite problems which caused the cancellation of some rallies.

But the number of rallies didn't seem to affect Saint Pride. SMHS students seemed to be even more spirited than earlier years by buying buttons and ribbons, dressing up on crazy days, and attending games.

Overall, the rallies made students and teachers alike proud to be Saints!!

CORRIGAN '83

Annual Formal Draws Crowd

On a cold, winter night in February, the SMHS Varsity Drill team held it's annual Corrigan dance. Unlike many of the other dances on campus, this formal dance was girl-ask-boy. Traditionally a successful dance, the Corrigan promised to be a fun time for all. Live music was provided by the band "Working It." During the evening, Donna Hrynezyk and Donny Malles were chosen as Santa Maria High School's 1983 Corrigan Queen and King. The 1983 Corrigan left happy memories to all who went.

The 1982-83 Christmas fair carried on the annual tradition at Santa Maria High School. It was better than ever before. The greatness can be attributed to the team work and all around saint pride.

We showed that we not only have school spirit but that we also posess the Christmas spirit, the spirit of working together and sharing with each other in the way of displaying our talents, arts, and achievements.

The fair took place on a warm winter day on the Santa Maria High campus, but it was the people who made this event special for all.

The food, the boothes, and the displays will always be fond memories of the 1982-83 Christmas Fair.

Saints Go To CIF

In spite of a rough start, the 1982 Saints football squad enjoyed a fine season which ended in the CIF playoffs. A new head coach, Barney Eames, accepted the job of head coach a few days prior to the beginning of the football season— far too late to establish any lengthy preseason training program. "From where this team started, I feel they did great," said Coach Eames. In spite of all the controversy, the Saints burst out of the starting gate with seven consecutive victories and a Number One ranking in the Northwestern Conference of CIF.

In their first game the Saints demolished a strong Santa Barbara Dons team in a shocker, 21-7. Spurned on by the electrifying runs of Eddie Johnson, the Saints rolled over Bellflower (44-7) and South Bakersfield (31-13). At this point the Saints were due for a letdown and squeaked by a determined St. Joseph Knight team 17-12. Traveling south the Saints were hampered by injuries and had another tough win over Quartz Hill.

The league season began with hard earned victories over Cabrillo (10-7) and San Luis Obispo (7-0). The Saints had a laugher in an inspired game against Arroyo Grande 28-7.

It was at this point in the season that the Saints faced perennial powerhouse Lompoc on their home field. Unfortunately the Saints suffered their first loss of the season 35-13.

Cross town rival Righetti was the foe for the last game of the 1982 league season. Emotions were at a fever pitch on both sides of Dave Boyd field for the big game. Neither team could move the ball and hard hitting defense was in evidence during the first half. The Saints battled back late in the game to take the lead. With less than two minutes to play, Righetti drove down the field and scored to win 15-14 in the thriller of the year!

On the basis of their fine record, the Saints travelled south to Culver City for the first round of CIF playoffs. The Saints lost a close game 16-14 to end the season.

The Saints were led by MVP's Emmett Winters and Eddie Johnson (the leading scorer). The most improved players were George Salinas and Tony Lewis. The standouts for the saints were Cam Worsham, Mike Sherre[redacted]Both our offense and defense played close to their potential" said Coach Eames. With this fine season and a good crop of returning players, the Saints look forward to a league crown in 1983.

The Saints JV. Football team had an exciting season highlighted by their second place finish in the Northern League. The record for this year's team was 4 wins, 4 losses, and 1 tie, Coach Julius Ford was pleased with the play of these young stars. *Ken Groppetti* and *Jim Adams* were the standouts this year on defense while running back *Scott Smith* and quarterback *Tim Hearst* were offensive stars. The toughest team for our Saints were the Lompoc Braves, the eventual league champions. The JV. squad should provide some fine players for next year's varsity squad.

FROSH FOOTBALL

The Freshman Football Team had a record of four wins, four losses, and one tie. They were an up and down team this year. "With maturity, they have the potential of becoming a great football team," said Coach *Jack Monson*.

The offense was led by *Mike Eames* at quarterback with the strong running of backs *Humberto Franco, Robert Brewer,* and *Ingmar Monson*. The fine line play on offense came from *Tom Guana, Dewey Erickson, Mike May, Gary Pugner, John SeBedra, James Talamentes,* and *Robert Jones*.

The defense was led by the strong playing of *Art Hernandez, Mark Backman, Gary Sheley, Mark Schaff, Elifonso Yanez,* and *William McInerney*. Most valuable player was *Robert Brewer* and best offensive and defensive players were *Mike Eames* and *Elifonso Yanez,* respectively.

WATSON'S HANDBALL TOURNAMENT

Mendoza And Sanchez Come Out On Top

Jerry Mendoza 1st place, Henry Sanchez 2nd place.

It's a strike!

The participation in this years fall handball tournament wasn't as large as Mr. Watson had expected, but the athletic ability exhibited at this years tournament was great! In the end, Jerry Mendoza, a senior, came away winning first place, and Henry Sanchez, a junior, ended up winning second place.

This years participants were familiar faces as they were in previous tournaments, and are expected to participate in the spring tournaments. We also expect to see them enter in next years tournament.

Most valuable player Doug Peters shows his stuff against Santa Ynez.

In what was anticipated to be a banner year for Saints basketball, fate stepped in and altered the course to provide a difficult and disappointing season.

After a very successful summer campaign which produced a 29-9 record and a team camp championship in Arizona, the Saints jumped out to an early 5-0 pre-season record. Then as part of the pre-season plan to play a stiff early season schedule, the Bill Yanez-coached squad battled excellent competition to enter league play with an 8-7 mark and hopes for a top shot in conference play.

After dropping Lompoc, 59-37, in the Northern League opener, team captain Doug Peters sustained a knee injury in the following game to terminate his senior basketball season for the Saints. At the time Peters was leading all Central Coast basketball players in scoring with a 20.5 clip and had been selected to three all tournament teams in the three holiday tournaments the Santa Maria squad had entered.

Determination, loyalty and perseverance marked the play during the remainder of the conference schedule, but, try though they might, the Saints came out on the short end for the remainder of the season.

Players received their deserved accolades at the annual awards banquet with the following presentations: Jeff Synder, Most Inspirational; Doug Peters, Best Defensive Player; Pete Duguran, Most Improved; Tom Yanez, Academic-Athlete Award, Steve Barenchi, Coach's Award; Doug Peters, Team Captain's Plaque; and Saints Most Valuable Player to Doug Peters.

This year's J.V. basketball team has a successful overall season but a rather disappointing showing in league play. The team was 16-8 for the year but went 5-5 in league placing them in third place. The J.V.'s placed in all three tournaments they entered. They took consolation honors at Cabrillo and Arroyo Grande and placed third in Lompoc.

The most valuable player was Jack Garcia. He led the team in scoring and assits and was second in steals.

The hardest opposition for this year's J.V. teams came from Righetti, San Luis Obispo, and Arroyo Grande who always play hard and good defense. Ron Prober improved tremendously on his skills and mental attitude. Coach Jimenez said "We weren't a quick team but we made up for it with teamwork and hustle."

FROSH BASKETBALL

This year's Freshman Basketball team was a group of quality young men who showed great dedication and spirit. Led by *Coach John Tintle* and MVP's *Chuck Miller* and *Mike Eames*, the frosh players compiled a 7-14 season and 3-7 league record. Although they placed fifth in the league, the team showed superior sportsmanship by not giving up when the going got tough. Reaching all of their goals for the season — maturity, responsibility, and a 500 season — the freshman ball team showed true Saint pride.

MVP *Miller* truly led the team not only on the court (scoring 35 points in one game) but off the court as well. He was in *Tintle's* words an intelligent all-around good ballplayer. The other MVP, *Mike Eames*, was the most intelligent player, complimenting *Miller* and running offense.

Tintle has high hopes for next year's team. He hopes to spend more time training his new team so that he'll bring a championship to Santa Maria High School.

Matt Martinez at his ever famous wind-up!

This year our Varsity Baseball team, coached by Nelson Sagisi has alot to look forward for this season. Not only are they League Champions, but they have nine returning lettermen from last year's team. They are the two team captains Dereck Domingues, and Bobby Perales, along with Mattew Martinez, Jerry Duckworth, Aaron Eames, George Salinas, Emmett Winters, Cam Worsham, and Jesse Hernandez.

Looking at the overall team, on the mound the Saints have a very strong experienced pitching staff with all-leaguers Matthew Martinez and Bobby Perales. They also have good hitters which will make a defense, speed, and hitters which will make a tough team to beat this year. Their biggest team challenges will be from Righetti and Lompoc.

All in all, the 1983 Saints Varsity Baseball Team has a very strong potential for retaining their crown as Northern League Champions. And are looking for a C.I.F. title!

This years water polo team has far exceeded the expectations of many including their coach, Karl Bell. Their 7-11 record does doesn't reflect the ability of the team because many of their losses came in one point decisions.

Ned Lucia (most valuable player) was the high scorer of the season leading the team to a successful season along with senior Dirk Dougherty and junior Jim Dvorak (best defensive players).

While not having a winning season, this years Junior Varsity and Frosh-Soph team had a building season where much was learned. It was the first year for many of the players and with some hard work they will help to form a strong team next year. Allen Granski, M.V.P., helped lead the team along with Mike McVicar and Jose Segura.

For the first times in recent years the Frosh-Soph team had three girl players. They were Gayle Wheeler, Lori Tate, and Debbie Falcon.

SWIMMING

VARSITY

Coach Bells varsity swim team was not top heavy with seniors as in previous years but was loaded down with more juniors and sophomores than usual. As this years Review went to the press the 'SAINTS' had yet to begin league competition. This years outlook seems to be good with the strongest competition coming from Righetti and S.L.O. high schools. The top talents for the team are Jim Dvorak, Dirk Dougherty, Ned Lucia, Jon Murphy, Rodney Wilson, and Eric Livermore. This years goal is to qualify for C.I.F. and come out with a winning record. The team is young and enthusiastic, and with only four seniors next years outlook is even better.

Bottom: Scott Inguito, Roger Feliciano, Henry Fowler, Derek Chrisman Top: Jim Jewel, Jose Segura, Sal Orosco, Alan Granski

This years J.V. swim team is contrived mostly of freshman, but their strong point is with the sophomores who swam last year. The goals for the freshman are to learn the strokes, turns, and apply them in later swim meets. The sophomores goal is to make it to the J.V. finals. Brian Wessinger, Victor Muro, and Anthony Chavez are the J.V. standouts. Next year should be a good year if all the freshman return to swim again.

This year's season under the direction of Lee Eby will be a good one. This year's turnout has been the largest in years, with strong swimmers like Andrea Zuckerbraun, Tracy Deschenes and Merri Wikert, the team will have a strong season. Also backing up the threesome are Melissa Rieke and Gayle Wheeler who have shown great improvement since last year. At league relays this year, the relay team of Zuckerbraun, Wikert, Deschenes and Wheeler set two soph-frosh records. Although the competition will be tough, the Saints hope to see at least one of their swimmers to C.I.F., and as for next year, the prospect will be great, as they will only lose two seniors.

The 1983 track team is a young and inexperienced team. They are coached by Mr. Monson. The track team look for a challenging season with tough teams like Righetti, Cabrillo and Arroyo Grande. The 1983 team has a great deal of talent and they have the time to develop it. Having competed in their first meet, the Saints had strong finishes by *Eddie Johnson* and *Gerry Mendoza*. Despite it's losing season, the 1982-83 Cross Country Team put out a lot of effort and improved a lot. Paving the way for the Saints were Gerry Mendoza, Monte Murray, and Becky Reese. The boys varsity team was hurt by Bill Grigg's injuries.

Rosa Arrendondo and Steve Skelton proved to be Most Improved on the team.

The team had great team spirit and determination. Mrs. Harney stated that "We needed to start working out long before September like other schools. If we do, we could have a good season next year."

Although this years Varsity Wrestling Team did not fair as well as a team as they would have liked, there were many individual stand outs. Their 6-11 record and 5th place in league doesn't accuartely reflect their individual accomplishments.

The teams most valuable players, Oscar Sauceda and Troy Martinez, with their outstanding acheivments in being ranked #1 in 4-A CIF finals in their respective weight classes, has well surpassed Coach Raul Castillo's goal of placing at least one person in CIF. These two along with Oscar Vega, Bob Pico, Junior Zepeda, and Erasmo Garcia, all wrestled well and placed at league finals.

Despite the fact that there are only eight players on the team, they have a good attitude which constitutes a winning. Andy McDonald, a junior, should be one of the top players in the league, however, everyone played an important part. The prospects for next year's team look bright since seven out of these top players will return. Good luck for an outstanding season!

This year our Varsity Soccer Team, coached by first year head coach *Mehrdad Mashoon*, placed third in Northern League play. They had a league record of 5 wins, 4 loses and 3 ties. The teams which posed the biggest challenges for the Saints were Lompoc and Cabrillo.

The Saints were lead this year by Senior captains *Hector Leon* #11 and *Alfonso Robles* #12 both on the soccer field and in the classrooms. They gave support and kept the teams' spirit good.

Our Saints season came to an end on Feb 25, 1983 when the Saints were eliminated in the first round of C.I.F. by St. John Bosco with a score of 1 to 0. *Coach Mashoon* is looking forward to another good season next year with many young prospects from the Junior Varsity team.

Our Soccer players did a tremendous job this year. The team's record was 6-0-4, which put us in third place in Northern League. Our biggest challenges were against Lompoc and Cabrillo. Since we had such great team spirit we did very good, and achieved our goals of becoming a strong and winning team. Our most valuable players were *Oscar Perez* and *Eddie Marquez* because they were always consistant, punctual, and never questioned the instruction. The most improved players are *Ramon Ramirez* and *Andres Marquez*. Unfortunately, we did have a few injured players whose names are *Jose Fernandez, Juan Luna,* and *Juan Anguiano*. VARSITY GIRLS BASKETBALL - Louise Tonacia, Coach

This year we had a young team consisting of five sophomores, two juniors, and four seniors. They had a lot of Santa Maria pride, and were aware of the fact that success only happens when you work hard to achieve it. They did work hard and we can be very proud of them.

Every player was valuable in that each had something positive to contribute, and each contribution made us more united as a team. The team looked to Michelle Perez for her varsity experience. An excellent ball handler and shooter, Michelle averaged 16 points a game. Lisa Bevington averaged 9 points and was a steady rebounder at 11 per game. Angela Jimenez, first year varsity, averaged 7 points and 9 rebounds, and is a good defensive player.

Everyone improved so much over the year and I am so proud of each individual. I would like to call attention to the two rookies, Patti Baker and Veronica Darden. They did not play basketball their freshman year, but came out this year and have developed into good all-around players.

Judy Jimenez suffered a knee injury in our last league home game against Arroyo Grande and was not able to finish the season, however it did not stop her positive attitude and spirit; she gave twice as much.

The teams that posed the biggest challenge for us were Righetti, 10-0 league for firt place, and San Luis Obispo, 6-4 league, third place.

The team spirit was strong all year. The players knew there was potential for the team, but that it would take time to develop. The feeling of believing in each other kept the team going from a pre-season 0-6 to league 7-3. The most spirited members who kept the rest of us going were Judy Jimenez, Gloria Jimenez and Mia Ituralde.

The team needed time to learn how to play together and adjust to my philosophy of coaching, but once they did, they shocked the league by finishing in second place and earning the right to represent Santa Maria high school in CIF. We played Schurr high school from Los Angeles in the first round, and we were thrilled about being there as it had been four years since the Santa Maria girls basketball team appeared in CIF.

I hope we can continue with a strong girls basketball program at Santa Maria high school, and my goal is to teach fundamental basketball where everyone adds to create good teamwork.

It has truly been a successful season, and as a first-year coach I couldn't have asked for a better group of players. Teamwork and pride made this years team a success. They made my rookie year as coach one to remember, and I will never forget the pride I have in them.

The 1982-83 Girls J.V. Basketball team, under the direction of coach Bob Watson, experienced a good season finishing second in the league play with a 7-3 win loss record.

The success of this team can be attributed to the team spirit, excellent defense, and the great fast break. Although they had a young team 12 of 14 which were freshmen, the team succeeded in their goal to play the best basketball possible.

Some of the most valuable players include Tina Ceja, Gina Segura, Audrey Armenta, Shelly Stark, and Elvira Insilin.

The 1982-83 Varsity softball team is looking forward to a great season. They are a very enthsiastic group, and play well as a team. This team, under the fine leadership of Coach Helen Valdez, has a very solid defense and will prove to be a mighty force in league play.

Although they will face great challenges against Cabrillo and Righetti, with the teamwork of Michelle Perez, Rhonda VanDortrecht, and Tiara Villines the teams most valuable players, they can face these teams optimistically. Chris Malles and Rhonda McGee have shown great improvement, and together with the rest of the team will emerge victorious.

SENIORS GOBBLE JUNIORS 12-0

On a cool fall evening, November 23, 1982, Santa Maria High School concluded its 1982 football season. Aaron Eames, Derick Domingues, Emmit Winters and Bobby Perales eagerly awaited their final football game of '82. For these guys this game stood for pride, dedication, and hard work, the winner giving recognition not only for their team but for the entire class. Tonight Eddie Johnson, Pete Duguran, Bobby Watson, and Chris Dunning wouldn't be suited out in pads and helmets but on the side lines with clip boards, play books, and head phones. Yes these eight varsity football players would be watching their fellow classwomen pass, run, and kick the way they coached them. What's so special about this game? It's the annual Turkey Bowl, a football game between the Junior and Senior girls. The girls of the two classes met at Dave Boyd field to settle a very heated rivalry. The Juniors claimed they were the best. They had good athletes like Jane Wolfe, Becky Figgins, Annette Austini, and Keysha Gilbert. They assumed they had the edge! What they failed to realize was the fact that the Senior team had talent, good coaches, and experience.

The long hard practices, that began on October 29, were over and now it was time to put it all together. Emotions were high and tense as each team received last minute advice on those trick plays, and even the basic principles of the game. The Juniors won the coin toss and elected to receive the kick-off from Sandy Lopez, the Seniors "hot" kicker. This was the test. All the 220's in practice to get them in shape were history. The hard part's over-the hardest part begins. The seniors wanted to win this game for their coaches, who finished their High School football career two weeks previously, their excellent class, and most of all themselves.

The seniors kicked the ball to start the game. After giving up a few yards and a first down they stopped the juniors before the goal line. The seniors had the power house tailback, Keysha Gilbert, to contend with.

The great face off.

It took the seniors a few downs to catch on to the Juniors "bread and butter" play, the reverse. Once the seniors got the ball, midway through the first quarter, they took off. They marched right down the field mixing up their plays and keeping the juniors guessing. The first score came as the end of the first quarter arrived. Becky Reese got the pitch out for the sweep. She then motored 65-yards to break the goose eggs on the score board. With the momentum of the score going into the second quarter, the seniors decided to go with the sweep right to Becky Reese again. The play worked for a 55-yard gain and another touch-down. As the clock wound down to end the first half, the seniors confidently floated into the locker room only to be reminded that they still had two more quarters and the juniors could definitely come back. Both the seniors and juniors knew they had to pull together and keep their morale built up. The love and togetherness could be felt in the locker rooms. Friendships were strengthened and new ones were suddenly developed. Once again before the players made their way back onto the field they were drilled offensively and defensively.

While the players were getting psyched up for the second half, the all-male drill team, led by captain Mike Scherrer, was keeping the action alive on the field. The 1982 Turkey Bowl King, *George Salinas*, was crowned and applauded as the players made their way back to the field. The juniors came out determined to show the seniors that they had pride and confidence and they wanted this game. The seniors played tough defense and held off all the juniors attempts to even the score. The final score, 12-0, really doesn't represent correctly the real effort and determination on the part of the juniors. They have every right to be proud of their game and thankful they had an opportunity to participate in one of the greatest moments in their high school career. Both teams had the occasion to experience the whole purpose behind the Turkey Bowl, to have fun and grow closer as an entire class. In closing the players would like to thank their coaches for their patience, support, and understanding that kept them through the tough practices. Thanks again Aaron Eames, Derick Domingues, Bobby Perales, Emmit Winters, Pete Duguran, Chris Dunning, Eddie Johnson, and Bobby Watson.

VARSITY VOLLEYBALL

Top: Angela Jimenez, Jennifer Utitus, Lisa Bevington, Connie Laughlin, Co. Capt. Barbara Sousa Middle: Pam Biglow, Estalio, Coach Kennedy, Co. Capt. Rhonda McGee, Nancy Morikawa Bottom: Michelle Perez

The SMHS Varsity Volleyball Team under the able guidance of Coach Janice Kennedy, played exceptionally well all season. They succeeded in taking second place in the League and were able to compete in CIF.

The team was composed of excellent players who complimented each other very well. Although the team composition was good, a few team members stood out. For instance, Lisa Bevington, a six foot sophomore, was a consistent blocker and hitter who took her toll on all opposition. Kelli Estalio earned a reputation for leadership and was a valuable defensive player. Kelli was voted "Most Valuable Player". Rhonda McGee was the most consistent and hardest hitter on the team. Michele Perez, middle hitter and blocker also did a superb job and was voted "Honorable Mention."

"Most Improved" went to Nancy Morikawa, Pam Biglow, Angela Jimenez and Jennifer Utitus. Each of them are outstanding athletes and were motivated to give 110%.

Righetti, our crosstown rival, posed the biggest threat for the Saints. This game is always an emotional one. The SM Volleyball team managed to beat them twice in the League.

The team competed with Thousand Oaks in the first round of CIF and were defeated.

Although the girls did not last long in CIF, they finished the season with an outstanding record of 11 wins and 4 losses.

The prospects for next year look bright. Six strong Varsity players will return next year and are determined to be first in the League.

JV Volleyball

The SMHS JV Volleyball Team steered by Dave Steller, grabbed the League championship two years in a row with a record of 14 wins and 1 loss.

The main goal was to teach the girls to have fun playing Volleyball while stressing mental and physical discipline. "If you enjoy the game, you will play well and the JV record speaks for itself."

Laura Jimenez was chosen "Most Valuable Player" because of her aggressiveness on the court.

"Most Improved" went to Irene Maldanado, Cynthia Cruz and Elvira Insulin. On the whole, the entire team improved considerably.

The team showed team spirit and cohensiveness by encouraging and helping each other.

The leading server Patricia Jarman was noted for her notorious serves. All in all, each were all top scorers because it takes a team effort to win.

They had a well-rounded team. Everyone helped each other and complimented each other to give positive feedback. This year, the offense proved to be the strongest facet of the game.

SMHS' Girls Track and field opened their 83 season February 26 with much hope and eagerness. Jill Duncan, returning this season as the new head coach, talked optimistically about her team this year. "We are a very young team (only 8 returning lettermen) but all are very eager to compete and practice hard. I see us as finishing somewhere about 4th place in league." Coach Duncan is qualified to give us her expert opinion, herself being a veteran runner. Coach Duncan has competed for Fesler Jr. High, SMHS, and Cal Poly San Luis Obispo.

Coach Duncan's goals for this year's team are, "I would like everyone to experience success, not necessarily coming in 1st place but mainly getting something out of the effort they put forth in practice." The potential of the team as a whole is hard to predict but Coach Duncan sees a respectable standing in league. As far as individually, SMHS has several good prospects to represent it in CIF competition. Becky Reese, the defending Northern League 400 meter champ, Michelle Rodgers, Delores Carroll, Sandy Lopez, Lisa Bevington, and Keysha Gilbert show the calliber needed for league champs. Over all our girls track team looks good, with a little work they could be great!

Keysha Gilbert sprints to the goal.

Ronny,

You're a really nice guy and I'm glad I got to know ya this year. I won't tell anyone about your new swimsuit or how red your face gets when you wear it!! (Just kiddin') We had a pretty radical year but the last and best is still to come! Have a Safe but fun Summer!!

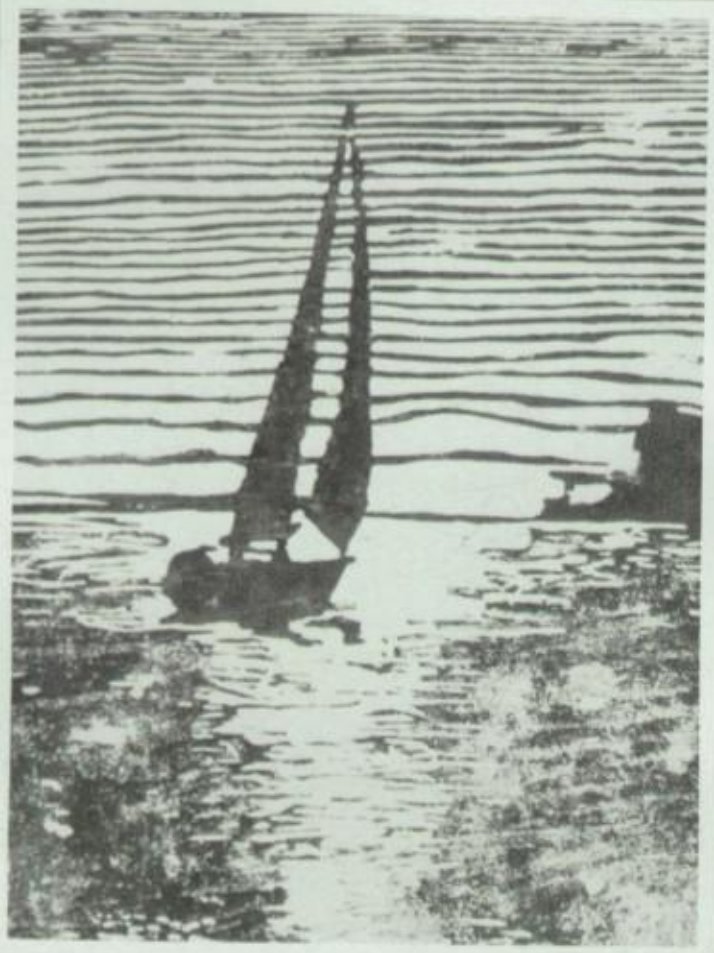
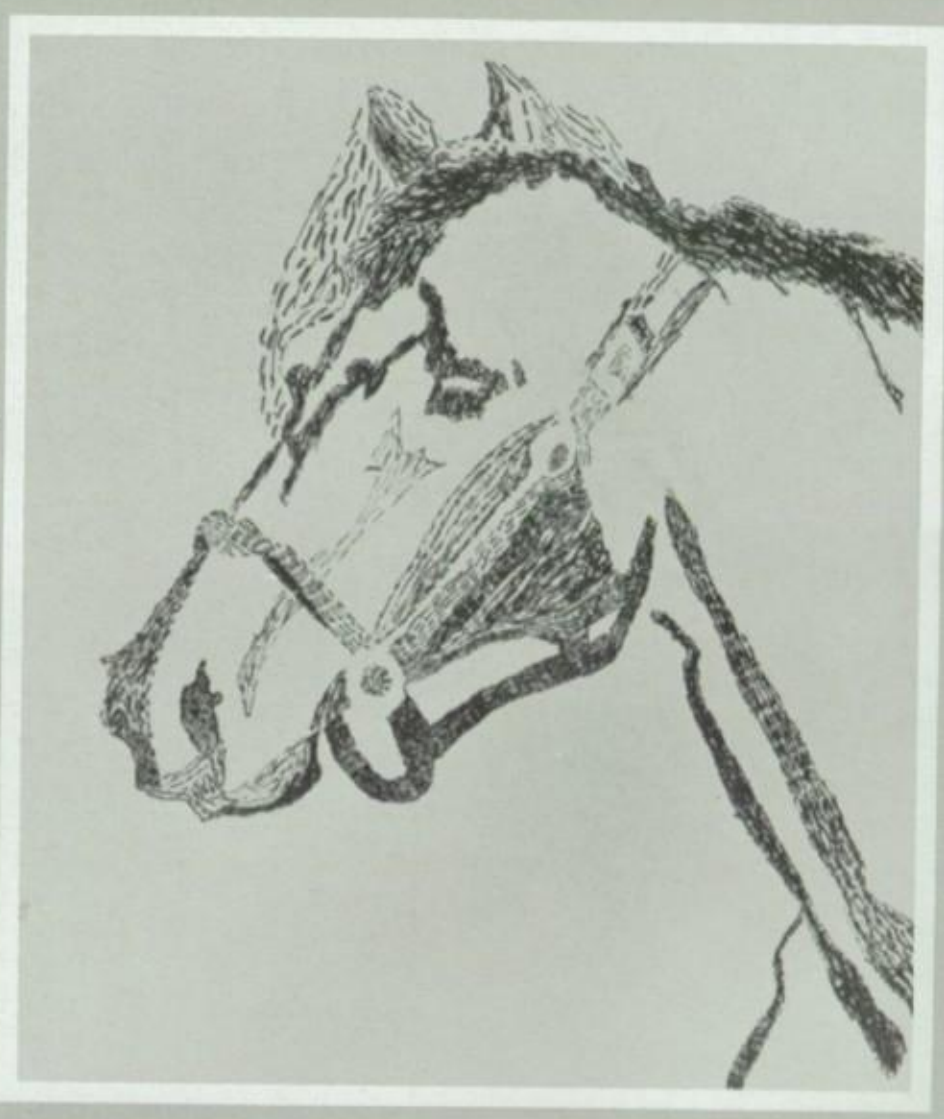
RESCUED!

Ronny (Baby),
Hey Bud, what's happening? Well the year is finally over and I can't even believe it. Well Bud you have been so great to me that I don't know what I would ever repay you. Thanks for all those times you washed my car for me, I think of how I will ever repay you. Thanks for all those times you washed my car for me, I only did it need it. That's the only time I got washed that it got washed.





Wishful Thinking
I saw you standing there
all by yourself
Looking as bored as ever
I look-
you smile ...
I smile back;
Could this be
The start
of something beautiful
Or the very end
of something that never was
As I walk over towards you
You turn and walk away
Not looking back at me
With another girl at your side.

ROCK "N" ROLL HEAVEN

FROM JOPLIN TO HENDRIX, ELVIS TO JOHN BONHAM,
WE THOUGHT THEY HAD IT ALL.
THE FORTUNE AND THE FAME, BUT WITH IT CAME
A PRICE THEY HAD TO PAY.
SO WITH THEIR DRUGS AND THEIR PILLS, THEY ENDED THEIR
LIVES BY SIMPLY WASTING AWAY.

REMEMBER BUDDY HOLLEY, JIM CROCE, WHO COULD
FORGET THE LYNORD SKYNARD BAND
ALL KILLED IN A PLANE CRASH
SOME THINGS ARE JUST HARD TO UNDERSTAND

THEN THERE WAS JOHN LENNON, HE DID SO MUCH FOR
MUSIC,
FOR HIM THERE WAS SO MUCH MORE TO BE DONE,
BUT IT ENDED ONE NEW YORK CITY NIGHT,
BY A MAN AND HIS GUN.

THEY ARE IN ROCK "N" ROLL HEAVEN NOW,
AT PEACE SOMEWHERE IN THE SKY.
AND I'M SURE THEY WOULD ALL AGREE THAT ROCK "N"
ROLL
CAN NEVER DIE.

Final Days

As the school year
comes to an end,
Saying good-bye
To your
Not-so-close
friends,
While planning
The summer out
with the best of 'em
Happy faces-
Signing yearbooks
all day in class
Awaiting
That final bell
As everyone

THROUGH THE NIGHT

Dreams are what get me
through the night
But in the morning
I see the light
Thinking of how
I want it to be
Why can't it ever
happen for me?
Thinking of moments
being in your arms
With your sweet voice
and subtle charms
Dreaming of your
handsome face
And being held in your
warm embrace
Seeing your smile
holding your hand
Why we're not together
I can't understand
Wanting everything to
be so right
Dreaming of you
to get
Through The Night.

THOSE TIMES

Those times you seem to care,
I wish you'd always be there.
Those times we are together,
I wish we could last forever.
Those times that you treat me wrong,
I wish that we could get along.
Those times that I'm with you,
I wish your love would be true.

LAST KISS

The last kiss we had
you held me tight,
All I wanted was for
everything to be right.

The last kiss we had
I wanted to last,
But all those memories
are in the past.

The last kiss we had
marked the end,
Now it's over
you're just a friend.

CAN'T YOU SEE

For I know not what to feel,
Or with these problems how to deal.
There is no need for crying now,
But the tears do come somehow.

Last night I sat and thought of you,
I suddenly started to feel blue.
But still it's hard to sit here,
Wishing you were near.

In my heart I feel a sadness,
A feeling of losing you.
I want in your arms to be caressed,
And then to you I would be true.

You've put a sparkle in my eye,
And a lock and key on my heart.
And when thinking of you, I get a high,
That no scale could ever chart.

Like the sunbeams from the sky,
You shine up all my days.
Bringing me happiness,
In each and every way.

All I need is for you
To stay here by my side.
I'll do my best to keep
You warm and satisfied.

Just to be with you is all I ask,
It doesn't matter how, when or where.
This can't be such a task,
When I hope you know how I care.

Like the foam and the wave,
We belong together,
Breathing just as one,
For now and forever.

The last thing I ever want to remember,
Is to know I had a part of you.
At least a little,
Your feelings to me, I've not a clue.

I hope you care for me as much
As I care for you.
And if not that much, but still a little,
You have just made my blue days true.

Can't you see you're my light,
You help me see things right.
Can't you see you're the one,
Now my searchings are done!

About The Cabinet

Our school activities wouldn't be the same if it weren't for this group of determined and talented leaders.

Executive Branch: ASB President-Sonya Garcia, ASB Vice President-Laura Kraft, Secretary-Cindy Barcelona, Treasurer-Alan Ross.

Commissioners: Judy and Gloria Jimenez, Programs and Rallies-June Aoki-Schoolastics and Organizations-Brett Bibles-Chief Justice-Stephanie Brooks- Publicity- Sandy Lopez-Public Relations.

This year our ASB Cabinet got together and worked hard to make things happen. We began the year with our annual Staff Breakfast, Frosh Orientation, and the Howdy Hop. During the school year we planned dress up days and rallies. The Slave auction, Homecoming, The Christmas Faire, and many other major activities. We attended conferences and camps together, we laughed and cried together and grew very close together over a year's time.

The 1983 ASB Cabinet would like to thank the following people- Dr. Corder- for all of her support and love, The Teaching Staff for allowing us time for fun while we were learning, Dorothy- for being so patient and keeping all of our records straight. Especially, Thank you "Rod" for helping us grow and believing in us. We love you all!

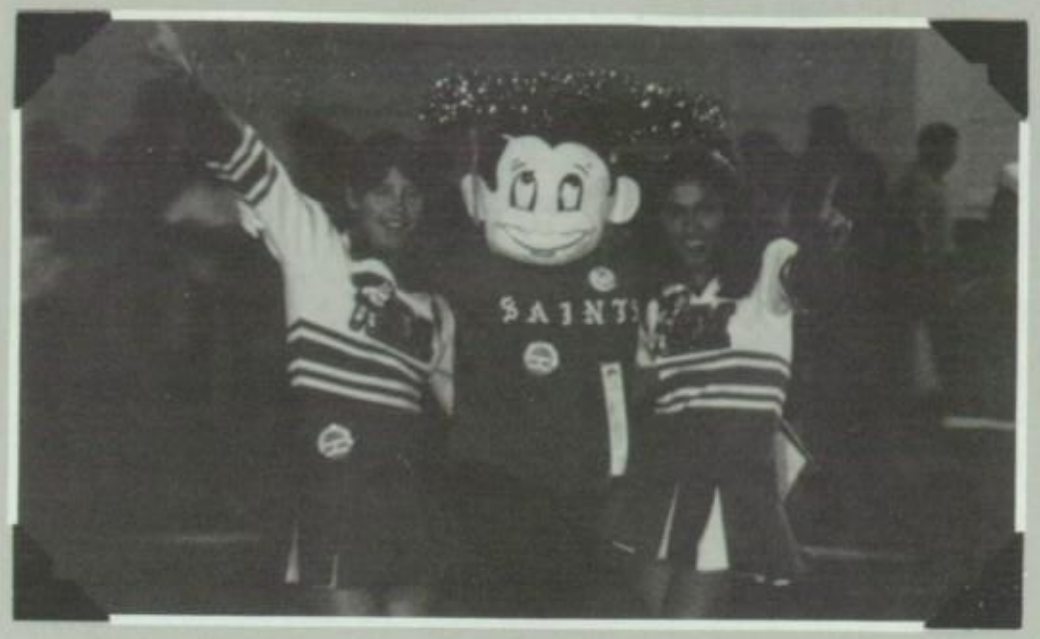
Cheerleading is such fun!!!



Rosie, Sammy, and *Ludi* know that Saints are #1!

VARSITY CHEERLEADERS

The main purpose of Varsity Cheerleading is to promote school spirit. People recognize the Varsity Cheerleaders more often than the other clubs on campus because they wear uniforms and are usually among the most spirited people on campus. They are outgoing, and aren't afraid to go all out for dress up days. But being a cheerleaders isn't all fun and games. All during the summer and after school they practice hard, "but we love it!"

Toni and *Ronda* flaunt their stuff.

They have been busy all year long supporting the Santa Maria High School team, performing routines, decorating locker rooms, and representing Santa Maria in the best way they can. They cheer for football, waterpolo, volleyball, basketball, soccer, and wrestling.

This year our Junior Varsity Cheerleaders are more spirited, enthusiastic, and ready to cheer at any occasion. Their goal was to raise school spirit not only for the class of 85, but for all of S.M.H.S.

They participated in all the rallies and dress up days. We will always remember the fun times we had! Thanks to our Captain *Paula Nishimori,* Co-Captain *Shawna Staples,* and *Mrs. Clark.*

With the excitement of their freshman year as a background, the Frosh Cheerleaders helped promote spirit at many Frosh games and rallies. Led by captain April DeGuzman and cocaptains Janice Galvin and Patti Cuellar, the girls were a great team. With many games to cheer at such as football, volleyball, waterpolo, basketball, wrestling, and soccer and difficult classes like English, Algebra, and Science, the cheerleaders had to work hard to succeed.

We should be hearing more about these spirited, talented girls in the next few years. They all did a terrific job promoting spirit.

DRILL TEAM

This year's 1982-83 Varsity Drill Team is made up of 20 talented and spirit bound young ladies.The squad has worked tremendously hard to improve and perfect strenuous routines for your entertainment.

The Drill Team, a year long activity, has been working since the end of school in June. In preparing for the upcoming season the squad attended a summer camp which taught them many things and enabled them to perform routines for the football and basketball games. In addition, they attended many competitions.

Aside from hard work, the squad has had much fun with their raids: many football players awoke in the mornings to find their cars and houses colorfully decorated.

The squad this year has won numerous trophies and awards from camp and previous competitions that they attended. Drill team offers quite a bit of goodness in all the things they do. Traveling to competitions with not only their friends, but with their family, are some of the things that make up a drill team. They work as one big family, and the closeness they feel is undescribable.

Congratulations and good luck, to the 1982-83 Varsity Drill Team!!!

S.M.H.S. Marching Band BAND

This year the SMHS made great musical progress. Unfortunately, the band lost its director, Dan Lishin, at the semester. Dan's support helped develop the talents of band members. A farewell concert during lunch on January 12, 1983 was a fitting climax to the existence of the SMHS band. Band members wish to thank Dan for all of his time and effort throughout the years. The band gave fine performances this year at all Saint home football games.

The FFA is a National organization that was founded in 1928 for students in agriculture classes.

The Santa Maria chapter has been active for 51 years, and this school year the past presidents were honored at the annual FFA banquet held each fall.

Our school has several judging teams which include vegetable crops, dairy products, farm power, land, and agriculture mechanics. In the past, we have won State competitions and have gone on to the National finals 16 times.

Students have the opportunity to participate in the Santa Barbara County Fair, entering their agricultural projects in competition. The sheep projects were extremely successful, as all of the first place winnings went to the Santa Maria chapter.

Animal projects also include steers, pigs, and poultry, and give valuable experience to the ag student in learning the care of an animal, as well as how to keep accurate records.

One of the highlights of the year was the first annual "mud bog" of the Santa Maria Valley. Jeeps, 4-wheelers, ATC's and pickups participated, and over 4,000 people attended. We also have a pull-tractor that is ranked second in the state.

Even if you are not considering a vocation in agriculture, there are many things you can learn as a member of the FFA.

FANTASY

The S.T.A.R.S./W.A.R.S. club (Star Trek and Related Spaces/Wargames Analysis Research Society) is a club advised by Mr. Crume, Mrs. Chiado, and Mr. Johnson. Their purpose is to expand the interest in science fiction and fantasy games such as Dungeons and Dragons. This year they plan to travel to the Science Fiction Convention in Los Angeles. S.T.A.R.S./W.A.R.S. provides a unique chance to meet new friends and to live out his or her fantasies through fantasy games. Officers for this year's club are President Mark Mason, Vice-President Joey Bayless, and Secretary/Treasurer Albert Canchola.

Alex Pepito tries to explain about Dungeons and Dragons to *Joey Bayless.*

Rob Anderson, Bill Royal, David Symonds, Robert Cowen, Louis Malbas, Shelby Dodge, Joey Bayless, Alex Pepito, Albert Canchola.

CSF

Life Members: Alan Ross, Albert Canchola, Hector Leon, Lorraine Gunter, Mike Kanda, June Aoki, Kyle Bowers, Mike Migliore, Chelli Heisler. Not Pictured: Iyad Darcazalli, Dirk Dougherty, and James Nishimori.

Top row: Alan Ross, Mike Kanda, Jim Dvorak, Hans Zuckerbraun, Hector Leon. Third Row: Chelli Heisler, June Aoki, Gloria Jimenez, Joanette Bayso and Elaine Shirona. Second Row: Jackie Yerby, Lani Lincoln, Joyce McCulloch, and Elaine Wood. Front Row: Carey Delashmott, Paulete Lara, and Nutan Patel

The purpose of CSF is to foster high standards of scholarship, service, and citizenship on the part of students of the senior high schools of California.

What makes this club different from any other club on campus is that students have to qualify by taking college prep classes and doing well in them. CSF offers its members scholarships and recognition for their academic achievement.

CSF is involved in many activities such as Easter Canned Food Drive, Trick or Treating for UNICEF, Christmas Pizza Party, selling donuts along with mistletoe at the Christmas Fair, and the annual Private CSF Disneyland Party.

JSA

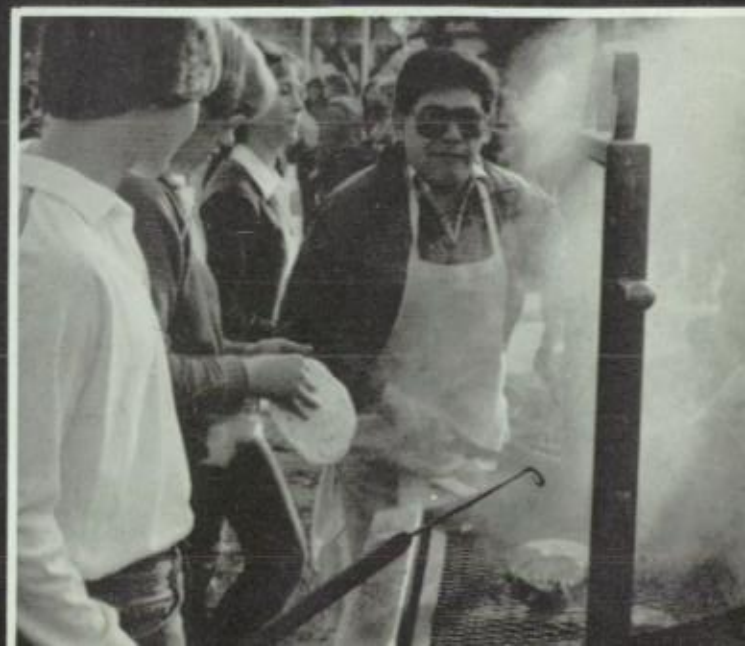
JSA is a club formed to promote political awareness among high school students. The Junior State has been in existence for over forty-eight years and there are other chapters in schools throughout the state. In the past, the Santa Maria chapter was a very important chapter in the Junior State. Several Junior State governors came from this school and this club hopes to bring that back to Santa Maria High School. JSA participated in conferences this year at UCLA, Los Angeles City Hall and the Santa Barbara County Courthouse. Officers for this club were Pres: *Jackie Yerby*, Vice-President: *Regina Ackerman*, Secretary/Treasurer: *David Perez*

Back Row: Regina Ackerman, Nancy Bath, Stacey Lee, Winn March Mr. Orell (Advisor) Front Row: Lisa Lopez, Mike Rodriguez, Eric Ruddy, Tim Christopher, Jackie Yerby (President), Matt Williams, Terri Silva. Not Pictured: Paul Berkowitz, David Perez, Keysha Gilbert, Kassy Taylor, Lana Aguilar.

Not Pictured: Lori Vasquez, Margaret Mc Gray, Eric Kurth, and Mr. Miranda. Far right: Mr. Miranda and his crew! Middle Right: Darcie and Eric take a time out for the photographers.

CCE

College Campus Explorers is a club whose purpose is to visit different universities and colleges so that students may gather data prior to making a decision as to what university or college they will attend. This year they participated in the Christmas Faire, had football concessions, and had several fundraisers such as bar-b-ques, car washes, and raffle ticket drawing. With the help of their advisors *Mr. Yates* and *Mr. Miranda*, CCE visited UCSB, Westmont, Cal Lutheran.



BSU

Front Row: Danny Kilpatrick, Tony Marshall, Eddie Johnson, Back Row: Harvey DeWitt, Melton McMorris (advisor) Kenny Snyder, Pam Biglow, Phillip Burns, Gerod Sloan.

The Black Student Union is an active club on campus. Their officers are President: Pam Biglow, Vice-President: Keysha Gilbert, Treasurer: Myra Baddley, Secretary: Valerie Roland. They observe February Black Heritage Month and Dr. Martin Luther King's Birthday. They participate in the Festivals of Nations Week and plan at least one concession per year. Their goal is to provide a training ground for the members and other students. Their club offers an experience in leadership, travel and a chance to socialize with many other students. They invite all students to join.

SOMOS

Yvonne Galarza, Mary Jo Pina, Lisa Fuentes, Yvonne Galarza, Marcos Garcia (advisor), Laura Valadez, Lisa Briones, Eloise Alejandro, Nora Suaste, Isabel Guizar, Anna Valadez, Lisa Bazan, Lupe Curiel, Yolanda Santana

Marcos, don't you have anything else to do?

The S. O. M. O. S. Club was first formed in 1972 as a direct result of a student protest. Their advisors are Mr. Torres and Mr. Garcia. SOMOS offers the opportunity for members to get involved in school activities. On the agenda for this year were various fund-raisers, field trips, and activities. In October they sponsored Homecoming Queen Judy Jimenez. In November they had their annual Turkey Raffle and in December sold roses at the Christmas Faire. In January they attended a Chicano Youth Conference at Fresno State and at the Festival of Nations Week on Cinco de Mayo they sell delicious Mexican Food. To top off a successful year in May they take a trip to Magic Mountain.

Secretary: Yvonne Galarza, President: Mary Jo Pina, Treasurer: Lisa Fuentes, Vice-President: Espie Franco

Club Anahuac Officers: President: Luz Elena Cortez, Vice-President: first Martha L. Munoz, second Ana Leon, Treasurer: Gerardo Gutierrez, Secretary: Juanita Recinos, Sergeant of Arms: first Gerardo Gutierrez and Lilia Cortez, second Lilia Cortez and Fermin Diaz

Club Anahuac advisors are Mrs. Alice Addison and Mr. Artxezin Amezcua. The purpose of the club is to intergrate and encourage the students to participate in events taking place in school and with the community. They are different from other clubs because they perform Mexican Dances in and out of school and sing in traditional posadas. They try to bring the community and school together in their activities. Some activities they have participated in are: supporting a homecoming queen candidate, marriage booth at the Christmas Faire, Festival of Nations week and soccer games. In the community they have participated in the 16 of September, Cinco de Mayo and Children Festival "Viva los Ninos" sponsored by KZON.

TAKE A DUMP

Say, Ronnie,

Well the year has already passed. Where going to be Seniors next year. I can't believe it. It was a pleasure knowing you Ronnie. I enjoyed the good times we had together laughing, talking, etc. I hope we can continue being very good friends. You sometimes got on my nerves but I learned to get over it. Hope you have a very good summer, dont do anything I wouldn't do. Ha Ha. Dont get to much sun.

Remember me always Ronnie.

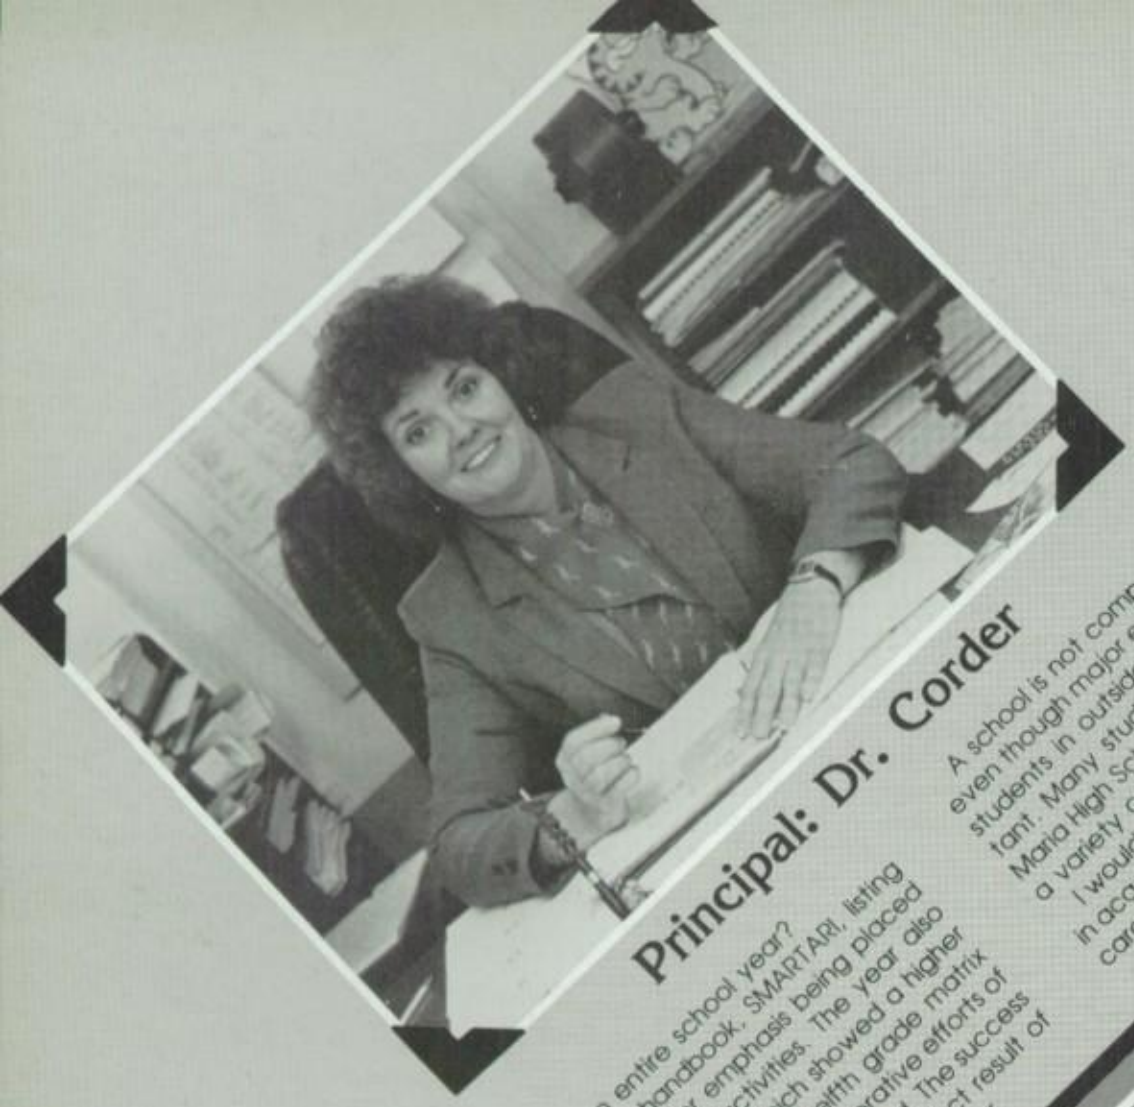
TO BE A STAFF ER

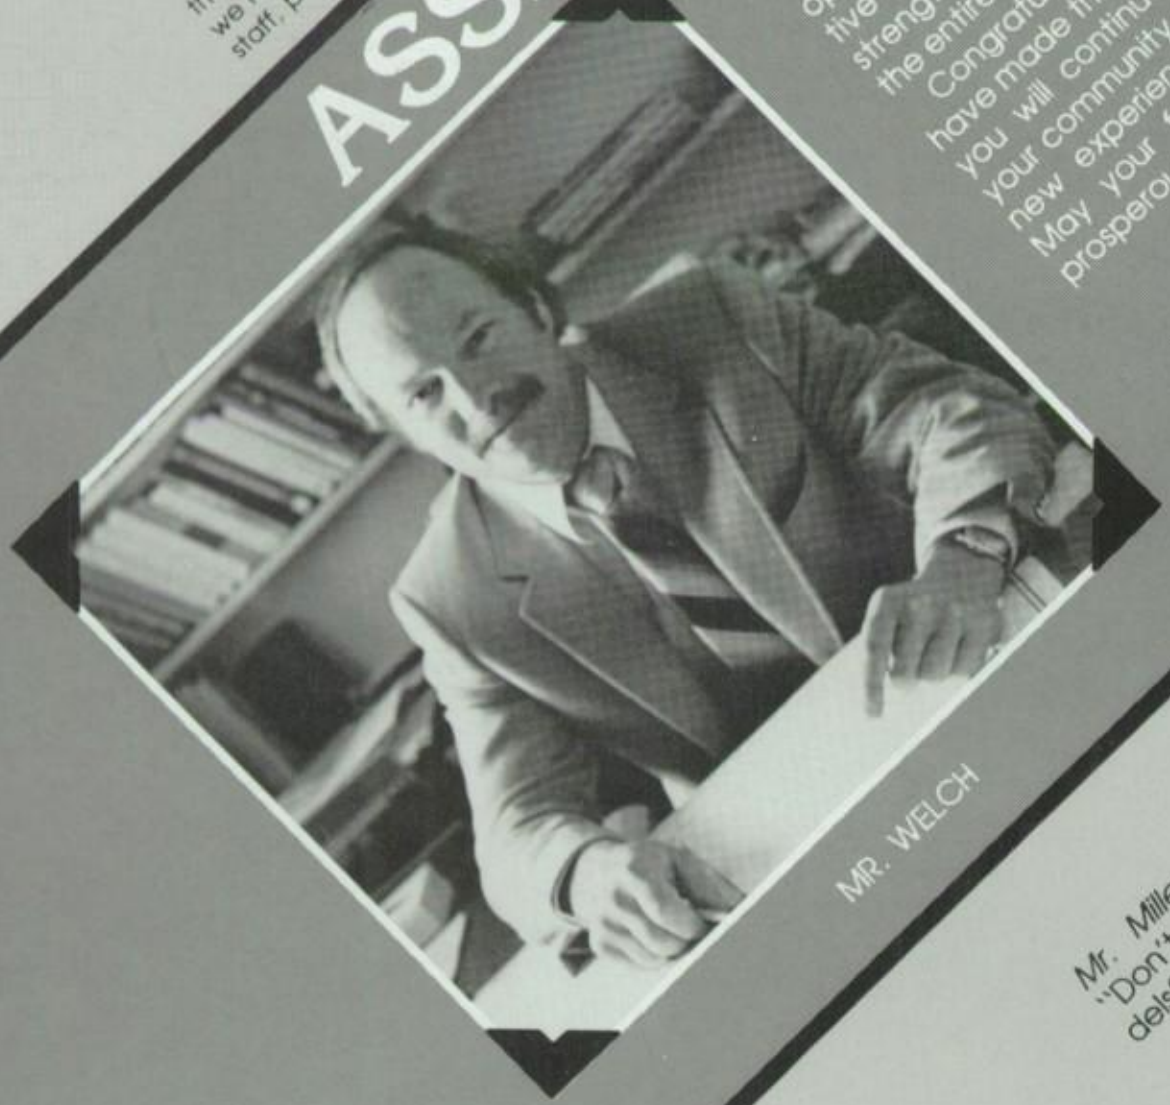


Principal: Dr. Corder

What can a person say to sum up an entire school year? 1982-83 brought with it a new student handbook, SMART/ART, listing students' rights and responsibilities with major emphasis being placed on eligibility requirements for extra-curricular activities. The year also brought with it Scholastic Aptitude Test results which showed a higher average than the national norm and improved twelfth grade matrix test scores. I would like to stress it was due to the cooperative efforts of the entire school community that the test scores improved. The success we have experienced at Santa Maria High School is a direct result of staff, parents, students and the community working together.

A school is not comprised of test scores and academic work alone, even though major emphasis is placed on these areas. Participation by students in outside, school-related activities is also extremely important. Many students have had great experiences this year at Santa Maria High School because they became involved and participated in a variety of activities and made lasting friendships. I would like to encourage all students to reflect on their participation in academics and activities over the past year and plan for their futures carefully.

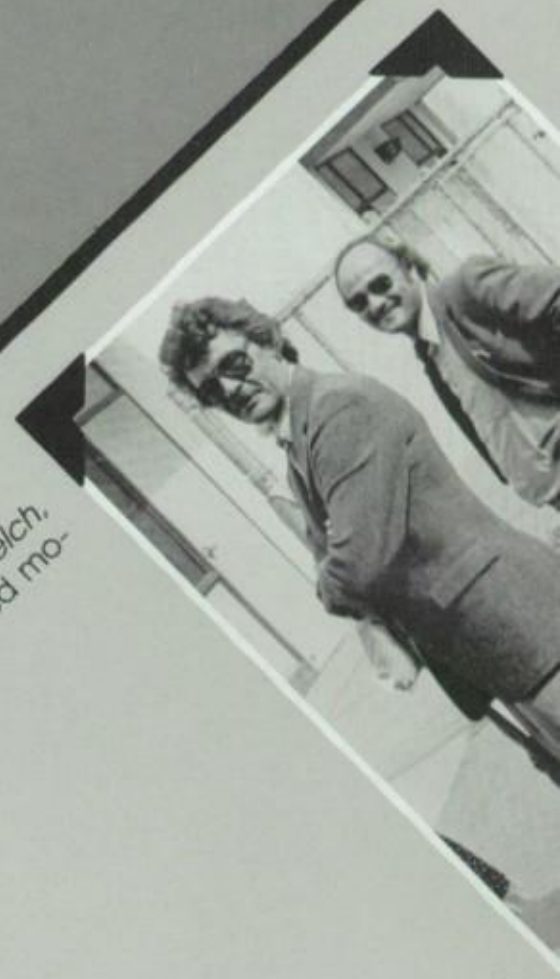
ASSISTANT PRINCIPALS



MR. WELCH

This has been a very creative year at Santa Maria High. The students and staff worked diligently in a cooperative effort to create a positive learning atmosphere. SMHS has strength and character for which the entire community can be proud. Congratulations, Class of '83. You have made this a great year. I know you will continue to contribute to your community as you move on to new experiences and challenges. May your future be positive and prosperous.

Richard Welch
Assistant Principal



Mr. Miller and Mr. Welch, "Don't we make good models?"

ADMINISTRATORS
SCHOOL BOARD

MR. MILLER

This year at Santa Maria High School has been most rewarding. Coordinating the 10th, 11th, and 12th grades has been a real pleasure. This has to be the best high school in California! I'm proud to be associated with you all.

SIP Committee working hard.

"Think Miranda says so you think you've got problems.

SIP is a common sense process to solve local educational problems at local levels. Its goals are to improve the entire school program for every student. The program was developed by parents, teachers, students, classified staff, and administrators in 1978. They formed a School Site Council for the purpose of applying for special grant monies. The SIP program is located in almost half of California's public Schools. SIP focuses on individual students, which enables those people closest to the students to improve the education of their children, by programs. Parents get directly involved in the education of their children, by helping teachers and staff members devise new programs, review test scores, and decide budgets. Teachers try to make improvements in their own working conditions and the school's environment. SIP is based on the idea that those effected by the decisions should help make them. The school plan identifies areas in which students need to improve and it gives them the opportunity to do so. At SMHS this year SIP monies funded such items as: Aides in social studies, handbooks for home economics, business, college prep, agriculture, trades. They're also involved in Project Can It, vocational math, career center, greater horizons, Teacher Advisor Program, Honor Roll Certificates, and student secretaries.

BUSINESS

The Business Department, led by Leon Sagun, offers a wide selection of classes in the Business field.
The classes consist of Typing (Business and Personal), Accounting, Business Machines/Computers, Business Law, Secretary Skills, Shorthand, Office Occupation, Personal Money Management, Simulated Office, and Student Store.
Top: Ruben Salazar, Kathy Andrews, Judy Davenport, Leon Segun, (Front) Tony DiNapoli, Jack Monson.

Textile Crafts, Senior Seminar, Foods, Single Living, and Clothing are just some of the classes offered this year at S.M.H.S. Ms. Jennifer Hemstreet is the department chairperson. Martha Bell, Elizabeth Brownwell, Wilma Baker, Jeniffer Hemstreet.

The Trades and Industry Dept. led by Mr. Dean Johnson offers students classes in Mechanical Drawing, Drafting, technical sketch, auto fundamentals, plastics, and Woodshop. Students who concentrate their studies in the trades area graduate well prepared for the job market.

Mrs. Brownwell teaches Foods class.

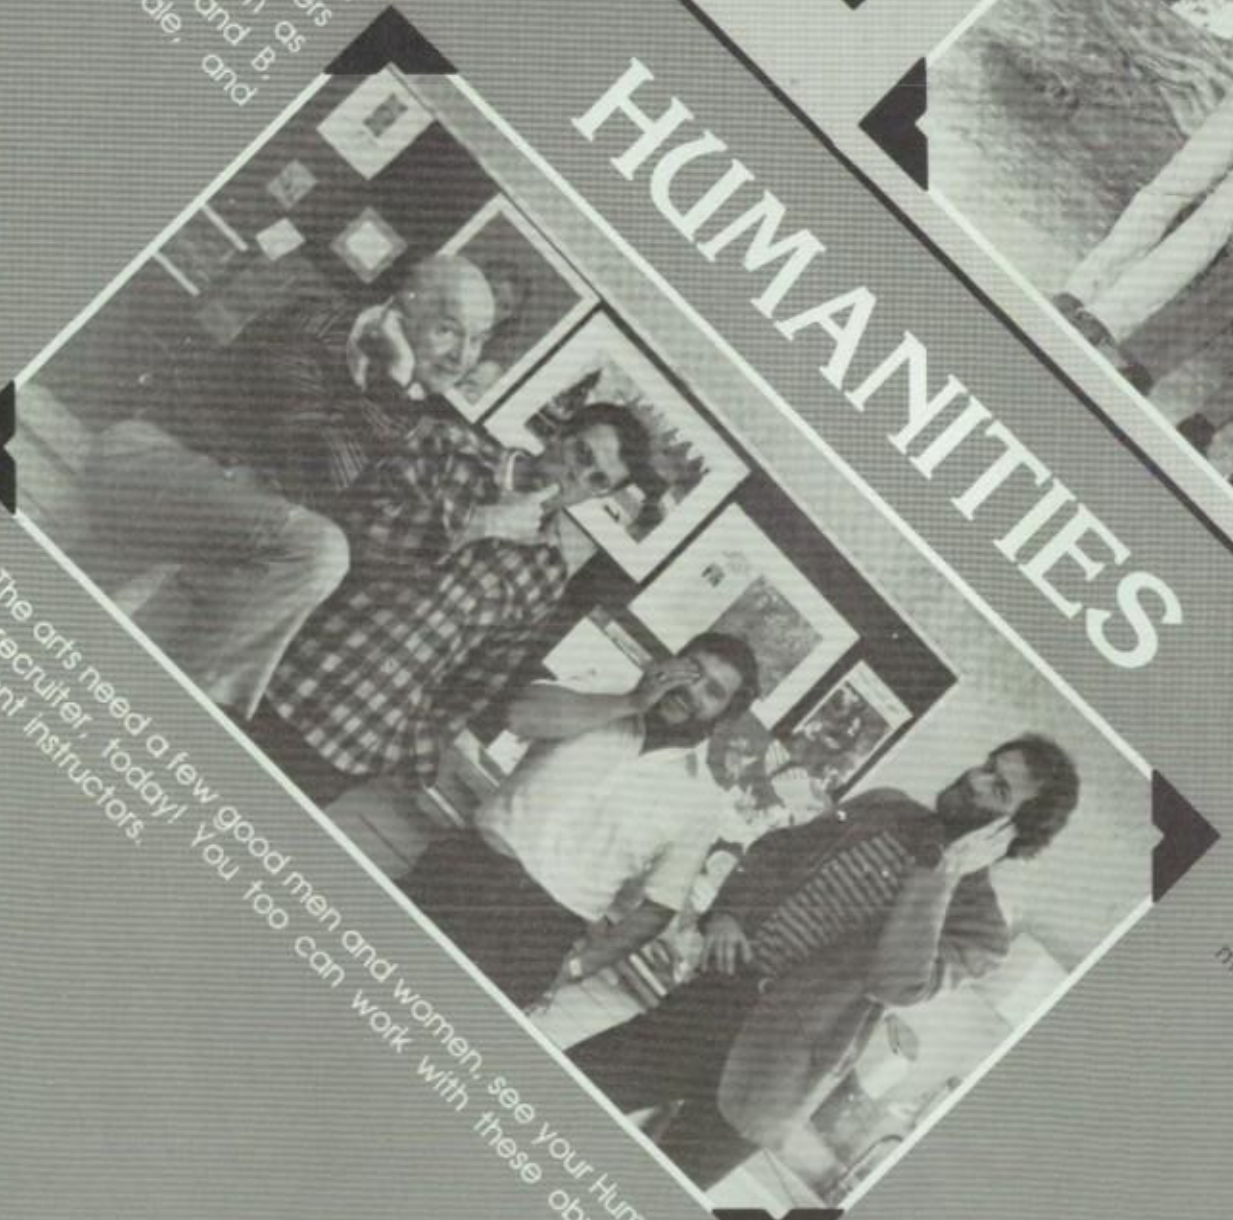
HOME ECONOMICS

HUMANITIES

The Humanities Dept. is led by Brad Bunkleman, and offers a variety of classes such as Photo I and II, Art A and B, crafts, drama, chorale, and publications.



The arts need a few good men and women, see your Humanities recruiter, today! You too can work with these obviously intelligent instructors.

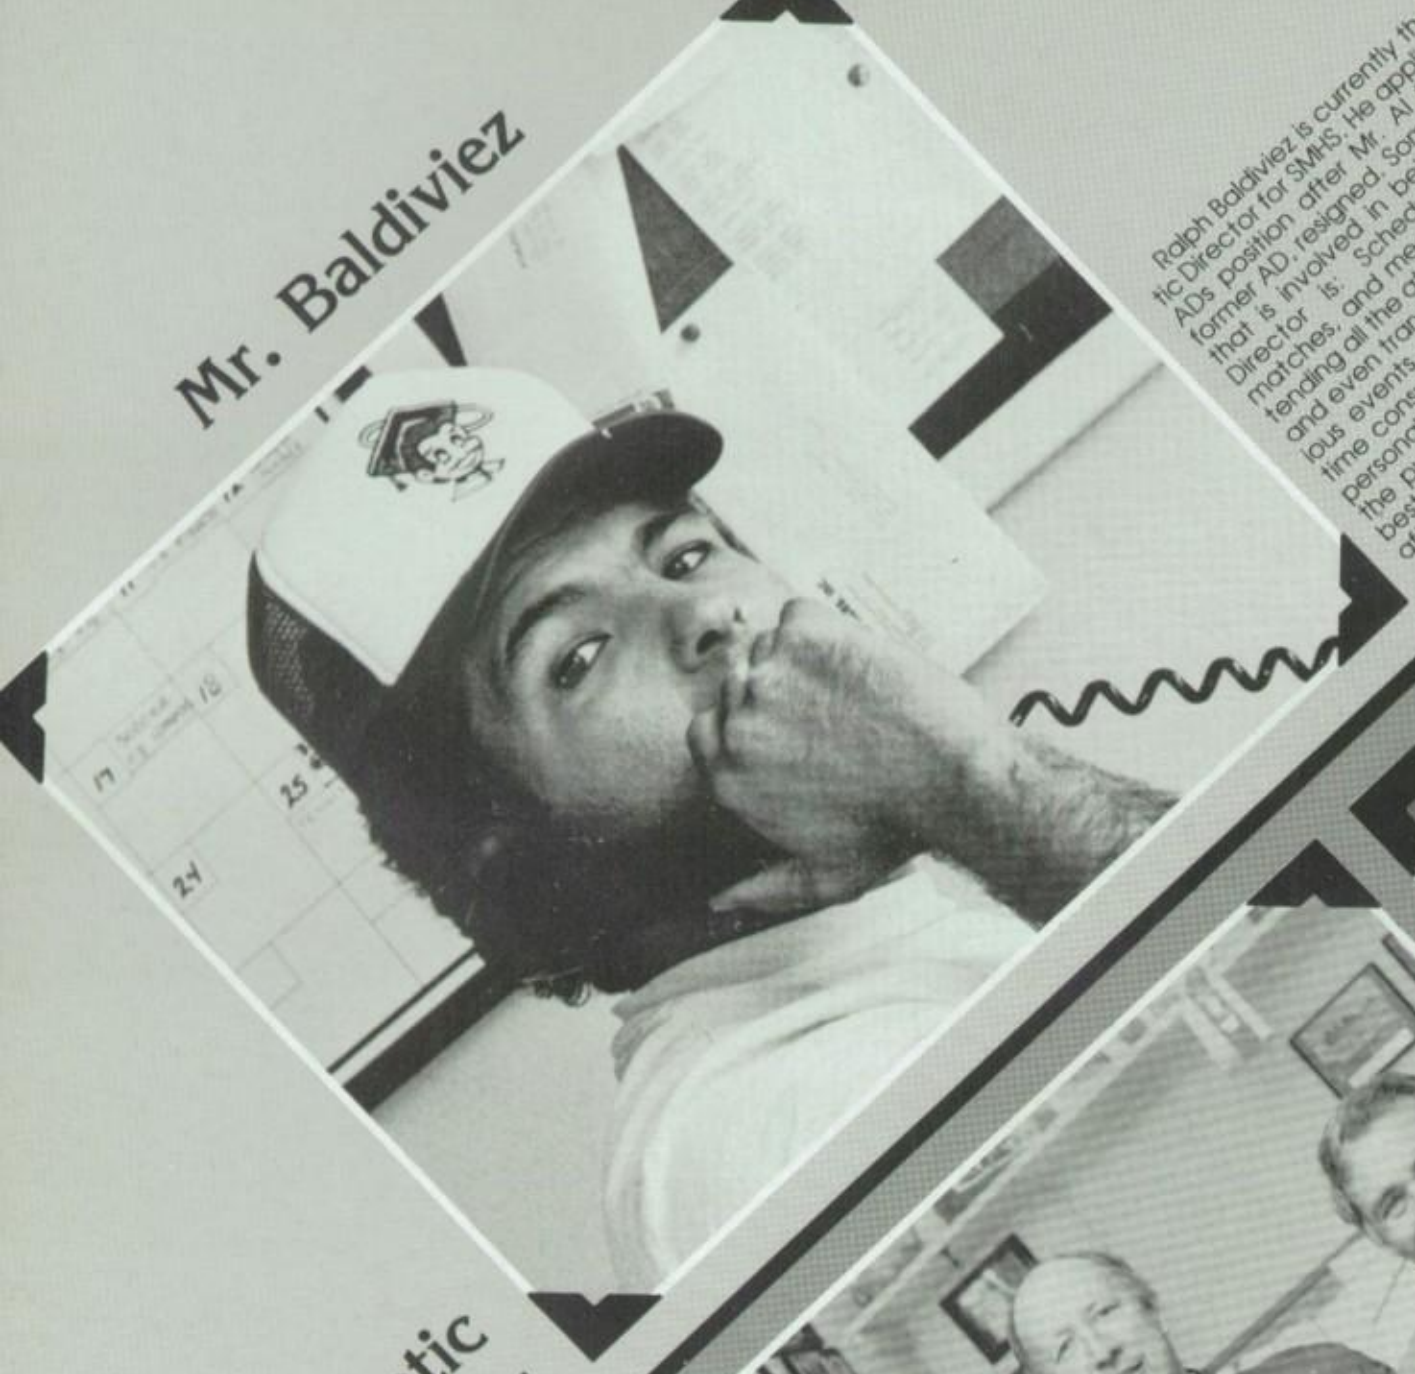
Mr. Baldiviez



Ralph Baldiviez is currently the Athletic Director for SMHS. He applied for the ADs position after Mr. Al Clifford, the former AD, resigned. Some of the work that is involved in being the athletic Director is: Scheduling all games, matches, and meets for all sports, attending all the athletic events at home and even transporting athletes to various events. Mr. Baldiviez survives this time consuming job by his easy going personality and his ability to deal with the public. We wish Mr. Baldiviez the best year and in the years to come after his personal secretary leaves his employment.

One of the courses offered in Girls PE- Volleyball.

The boys physical education department offers a wide variety of activities for all students, boys and girls. One of the most popular classes is the weight training class. Each student is challenged by being given challenges such as "The top ten lifters."

The girls physical education department has increased much in the past few years. With the addition of the weight room in 1980 the GPE department now includes weight training as one of the classes available for both boys and girls.

Mrs. Harney, Ms. Valdez, and Miss Kennedy.

The Agriculture Department, under Del Peterson, offers such classes as Agriculture Skills, Animal Science, Agriculture Science, Ag Mechanics, Soil Science, Crop Science, Ag Equipment Repair, and Ornamental Horticulture. The program is a great asset to Santa Maria High School and has a long tradition of excellence.

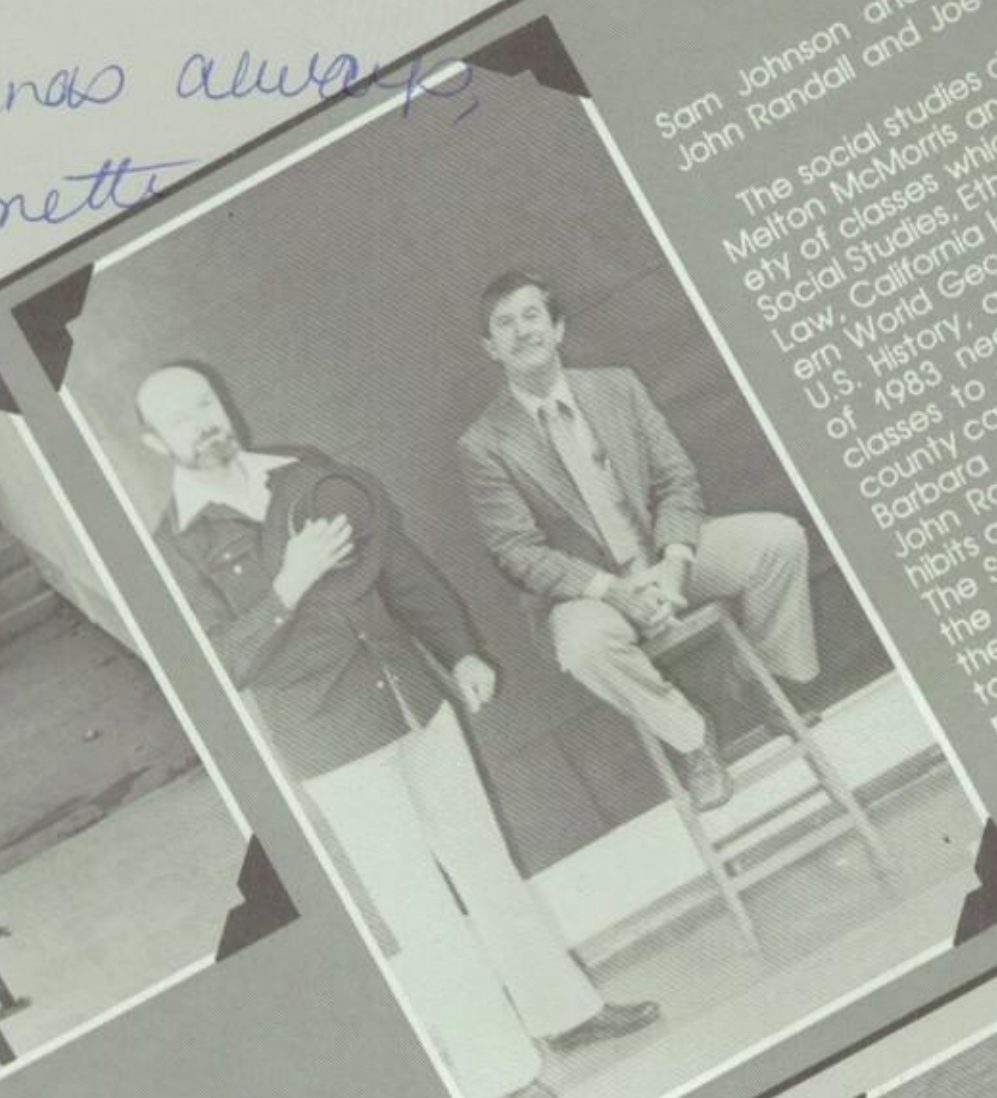
SOCIAL STUDIES



Sam Johnson and his troops. John Randall and Joe Yates.

The social studies department is led by Melton McMorris and offers a wide variety of classes which are: Introductory to Social Studies, Ethnic Studies, Youth & the Law, California History, Psychology, Modern World Geography, American History, U.S. History, and Government. The class of 1983 needs 25 units of the above classes to graduate. Students from the county can compete in the Annual Santa Barbara County History Fair where Mr. John Randall's students enter many exhibits and historical reports of our county. The Social Studies department is one of the innovative departments which is in the process of drawing up new courses to fit the need of the student and keep pace with the states and districts requirements.

OCS

OCS IS NOT OFFICERS CANDIDATE SCHOOL.

On campus suspension is Where you get into trouble and where you get out of trouble. Cuts, tardies, and misbehavior get you into OCS. Serving time, having parents contacted, and sometimes, a good story, get you out. There is a telephone and occasionally a sympathetic ear for you, but no heat or air conditioning. It's a good place — to avoid!

Right: Mr. Spalinger on the way home

I didn't think I'd feel this way,
Passing by you everyday.
Just staring at you as you go by,
And knowing that you've made me cry.
Sometimes I think I won't last,
Thinking about our times that passed.
I wish you could understand and realize,
What I'm seeing through your lies.
You promised you woudn't lie to me,
Promised you'd stay, but then you set me free.
I couldn't believe you were so untrue,
But somehow I knew that's what you'd do.
And when you look at me standing there,
My lonely face is what you can not bear.
I know it hurts you just like me,
But you hide your feelings for no one to see.
You look at me and then look down,
Staring sadly at the ground.
But someday soon you will see,
That you and I were meant to be.

By Julie Segura

Above right: The band plays on!
Above: Homecoming candidates on duty during big rally

I don't understand
what could of gone wrong
sitting alone
I heard a song
reminding me of
the times we've had
making me feel
alone and sad
I remember the night
you said good-bye
A teardrop was falling
from my eye
I thought of how
it use to be
and why it always
happens to me
I hate how
it's going to be
now that you
don't belong to me
you hugged me tight
I cryed some more
then I walked you
to the door
you asked
if I would be all right
again you held me
close and tight
and parted
with a kiss good-night
We still go out
but it's not the same
and without a doubt
I'm the one to blame
I want so much
to still be with you
But I mustn't hold on
I'd only be blue
I want you to know
just how I feel
I wish your love for me
was just as real

REVIEWING US

LAURA KRAFT
REVIEW
CO-EDITOR

This book contains:
Laughs for today,
Dreams for tomorrow,
And enough memories to last a lifetime.

I'm leaving SMHS this year, but the three years I spent on the REVIEW Staff have made High School very special. I hope that everyone will enjoy, "My", last issue of the REVIEW as much as the REVIEW Staff has enjoyed creating it.

I'd like to thank Mr. Kevin Statom, our worthy advisor for all the time, patience, and care that he puts into the REVIEW every year. Thanks to the REVIEW Staff, Steve Sanders, Dorothy Larsen, and Jostens. Special Thanks to Stephanie for always being there when I couldn't be, and for doing the Ad section!

I wish everyone who is graduating this year good luck. To everyone who will remain, keep up the good work and let the REVIEW live on, expanding, changing, and getting better with each new year!

P.S. Mr. Statom- I can't tell you how glad I am to have known you throughout High School. Your family is so lucky to have you and the school is equally as lucky! I'm going to miss you! THANKS!

REVIEW
CO-EDITOR

Well, it's finally over. The yearbook is finished and my mind can be put to rest. It's hard to believe that just three years ago I started working on "my" first Review. I've met many people and made many friends; it's going to be hard to go.

Of the people I would like to thank, Mr. Kevin Statom tops the list. Without his helpful hints, kind words, and understanding, none of this would have been possible. Also, thanks goes to Mr. Steve Sanders, our yearbook representative, for his great ideas. I'd of course like to say thank-you to my co-editor buddy Laura, for being so tolerant of my sometimes bizzare behavior. We sure had fun, didn' we? My special thanks to Mr. Frank Miranda for keeping my spirits up when I was down — you're the best! And of course, extra special thanks goes to this year's Review staff. This talented group of people worked hard to make the Review a success. From taking photos (thank-you Jeff) to drawing layouts, the 1983 Review Staff showed great dedication and loyalty.

My one hope is that all who possess the 83 Review are moved by at least one item. Whether it be a picture or an article, I hope it brings special memories.

Now I must close. My best wishes for next year's staff — may they create a book as terrific as this one and gain the confidence I have working on the 1983 Review.

83 forever.
Signed,
Stephanie R. Brooks

P.S. Thanks to our patrons, Images for their help, and Demeter studios. P.S.S. Three cheers for my friends LeeAnn, Karen, and Rudy. They are the ones who keep me sane.

Ronnie-
Well buddy,
we're seniors
already; however
exciting but sad. I got
to know you pretty good
this year and your a nice
guy. I'll probably see you at
the beach if so, you better come
talk to me & not think your [illegible].
Goodie! Oh well, if you do that's it be.
I'm gonna be going! have fun at McDonald
land. I'll probably see you there all the time
in the summer grubbin'.
Take care + good luck

Ronnie,
Hey you sexy babe hunk of
ass you! Boy 2nd period sure
was a blast, all the trips
to the student store, the
stealing of Mr. Burkleman's
paper! All those crazy
things we all did!
I'm glad we got
to know each other
better because you're
a real fun person!
Have a great summer and see ya next year
and catch ya at the
beach!
Love always

-Ronnie-
Can you believe it, we're Big Bad Seniors now! We're gonna have to make the year the most radical one we've ever had! You have a fun summer & take care! And Be Good!!
Love Ya!
Wendy Purgarich

Ronnie
A really cute guy I met last year. We had some fun times yelling at each other in P.E. And when you gave me horse back rides. Well don't get so carried away with the chicks this
con't on pg 195

Ronnie
I'm really glad we got to know each other this year. I wish that things didn't happen they did. I really did like you alot and still do. I wish we can still be friends. Call me this summer.
Love always, Kelly

"83"

Well Ronnie Baby! The time has now come for us to part. I am really gonna really really miss you. I have never had a guy that close to me that was just a friend. You always seemed to be there for me when I had problems & we shared so many happy memories. Please keep in touch, We still have to ride my horses.
Love Always, your lil sis
Tanya
P.S. mom said I could take the muscle out Friday!! Maybe we could go to your races.
